Together Students and Faculty Reached Goals

Inside Byrd each person has his own delegated responsibilities. Since the greatest portion of activity at school occurs in the classroom, the most important duties are delegated to the student, whose objective is to learn, and to the faculty, whose objective is to teach. Through various offices which Byrd students hold, their responsibilities increase, as does their influence over the rest of the school. Through wise use of influence, whether over a large organization or over only a small group, Byrd students are united by working together for common goals.

Dr. Rose Fitzgerald and Mrs. Norma Darr discussed techniques in teaching reading material.

Paul Defatta used the intercom system each morning to tell students and faculty needed information.

Lynn Skipworth presented Captain Shreve's Phillip Harder a trophy for humorous interpretation at the tournament hosted by the Byrd Speech Department.

President of Student Council, Curt Thurmon, greeted Mr. Jewell Wagner at the Orientation Assembly.

Mrs. Mary Ann Minor's concern in her direction of her students exemplified the dedication of Byrd's faculty.

Portraying Haughton cheerleaders were Thomas Woodley, Wayne Homza, Henry Hunsicker, Alan Mason, Mike Sealey, and Tracy Borden.

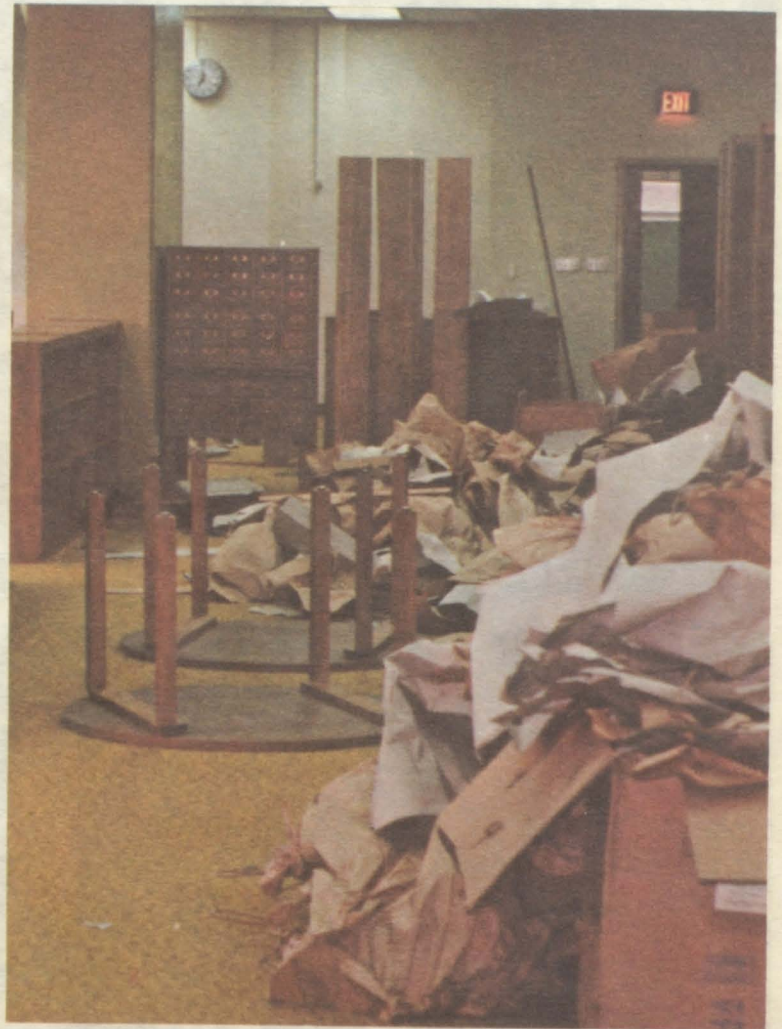

Wayne Homza as Jacketman brightened many assemblies and boosted Byrd spirit.

Jacket Pride Honored Memories of Byrd

Byrd High School is fifty years old. Constructed in 1925 it has stood through three wars and the Great Depression, has survived social changes in Shreveport, and has prepared countless young people to live in their individual times and circumstances. Upon looking at Byrd today, one sees that in many places the paint has peeled from the ceilings and the plaster has fallen off the walls. The school shows her age in other ways, as during the first cold snap of winter the old steam heaters clank as if in a final effort to make the students warm. Byrd's architecture is not standard with the streamlined construction of more modern schools, but the high ceilings and the intricate artwork on the front of the building are indeed part of the character of Byrd itself.

Since Byrd High School has been in use for half century, many wonder when or if it will ever fall down. It is hard for those who love Byrd to imagine that it might not stand forever. Even though sometime in the future Byrd may crumble to the ground, it is assured that its image, its reputation, and its memory will never die in the hearts of those who graduate from Byrd.

At the beginning of the year, the new library began to take shape before it opened for use in November.

Senior Pep Squad members devoted many long hours of hard work to the traditional painting of the Gator Day murals for the cafeteria.

During the school year Martha McCornell displayed her love for Byrd with her constant care for its appearance.

Before the Woodlawn game, Stingerettes Drum Corps members hosted a spirit breakfast for the football players.

Mr. George Wilson looked on as Mimi McDowell made a class officer nomination.

In preparation for the junior high school concerts, Mr. Claude Corbett directed the orchestra during practice.

Sergeant David Yerton and Charles Smith discussed the upcoming officers' test.

Special Events Highlighted Daily Routine

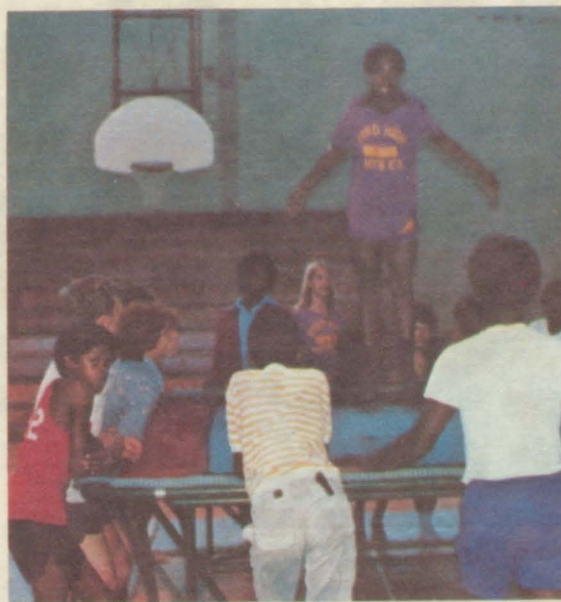

Mrs. Lee Lottinger collected P.T.A. dues from Mrs. Margaret Manry at Back to School Night.

Competition played a fundamental role in many activities at Byrd, as illustrated when Michael Patterson and Julie Jones participated in the Speech Department's auditions held in the fall.

At Byrd each student establishes a daily routine which he usually follows without variation throughout the year. This routine includes one's classes, the times one goes to his locker, and what halls and stairways he chooses en route to classes. Because others in the school take similar paths each day, it becomes natural to make new acquaintances. As the year passes, these new acquaintances become familiar and new friendships may be established. Such daily routines are interrupted by special events such as elections, competition for honors, and membership in organizations. A combination of routine procedures and special events make one's years at Byrd complete.

The boys' gym classes practiced proper trampoline techniques.

Although seldom noticed, the front arches stood as symbols of Byrd's beauty and history.

Coach Tom Cathey discussed defensive techniques during summer practice.

Cheerleaders led victory songs at the flag-raising held after the Houghton game.

Campus Life Offered Numerous Activities

Students spent spare lunch time talking with friends outside the cafeteria.

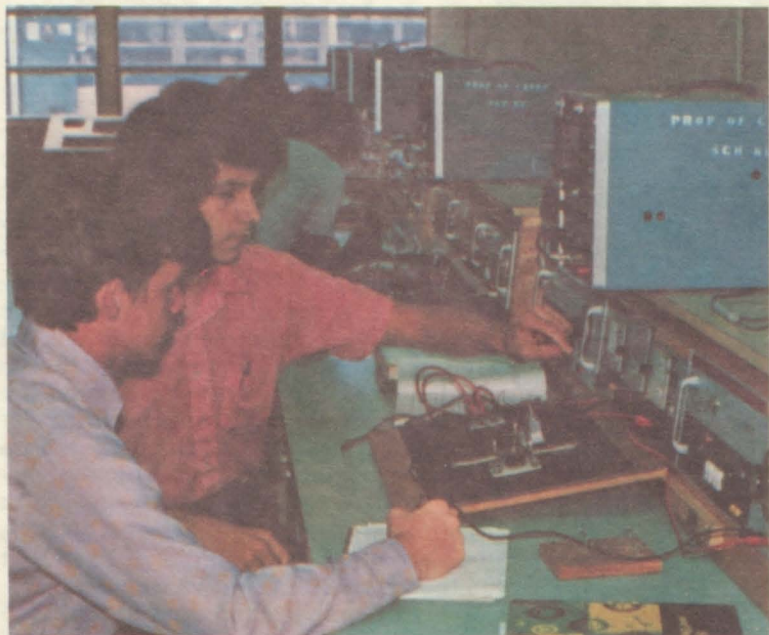

Student life at Byrd certainly is not confined to the classrooms; a nearly equal amount of activity takes place in the area immediately around the school. These areas are frequently used by the general public as well as by the students at Byrd. Regular events on the campus were the frantic parking lot scrambles and the bus loading before and after school, while the banner displays and victory flag raisings added to memories. One can understand through looking at old photographs of Byrd that as the surroundings have remained relatively unchanged throughout time, the students' interests, challenges, and dreams have been unchanged for the fifty years of Byrd's life.

Assistant Principal, Mr. George Wilson, checked Julie Redden's lunch pass in the school parking lot.

During the summer, the pep squad and cheerleaders practiced chants and cheers which were used during the year.

Caddo Career students, Richard Fillet and Carl Pennell, participated in experiments in electronics.

Billy Casten and Jackie Phillips cheered for the Jackets at the Southwood game.

In Cooperative Office Education, Sandra Huddleston worked in a local travel agency.

Terry Green practiced his putting form at Querbes Golf Course.

Students Shared Talents with Community

Mr. Jewell Wagner crowned Mary Leonard Homecoming Queen during the pre-game activities at the Southwood game.

For a "Z" Club project Lisa Guin and Mary Fritze gave swimming lessons to handicapped children at the YWCA.

Though Byrd has been called a city in itself, its function is not to isolate students in a strictly sterile learning environment, but to prepare them to live effectively in the community. To achieve this goal, there was available a variety of programs which enabled students to use their talents and to pursue their interests in Shreveport. Preparing students for future jobs were the work-study, D.E., and C.O.E. programs, for which participants received academic credits while working in a local store or office. Service clubs provided opportunities for members to fill various needs which were found in Shreveport, while school-sponsored trips and athletic events were medians through which Byrd's talents were displayed and by which Byrd's high reputation was supported in the community.

The Stingerettes performed hand drills at every football game to promote spirit.

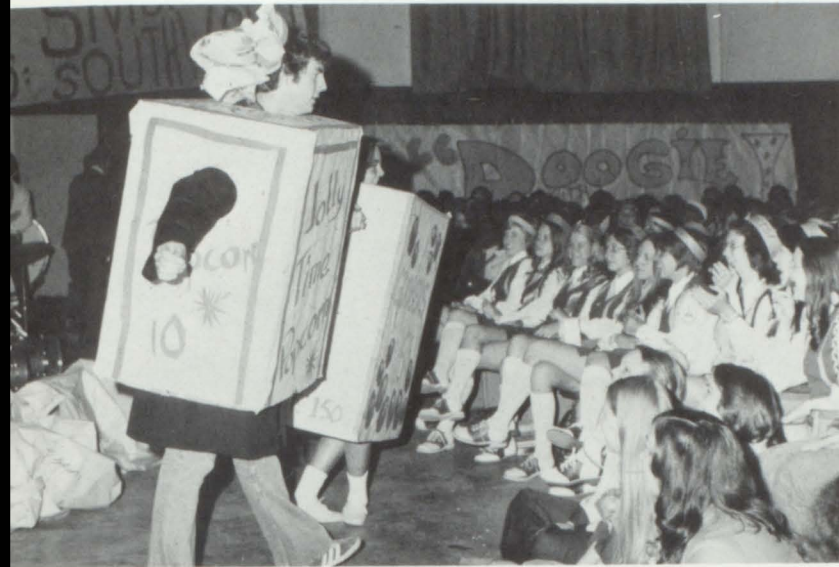

Top: In 1926 the main social event of the school year was Mardi Gras. For this occasion a court was elected to preside over the annual parade. Lower Left: Mr. James Chico, Mr. Roosevelt Sheilds, Mr. Claude Corbett, and Mr. Edward Allen showed spirit at the homecoming assembly. Lower Right: Master Gene Williams watched as Mr. Jewell Wagner crowned Mary Leonard, who was escorted by Mr. Nicholas Lester.

ACTIVITIES

Activities which took place outside the classrooms served to enrich the thoughts and to broaden the ideas of Byrd students. Through extracurricular activities students were able to put to practical use the concepts of participation and leadership gained in academic activities. A variety of activities was available at Byrd, enabling any student to pursue his particular interest. Though the scholastic achievements of one's high school career greatly influence a student's future life, the extracurricular activities will be remembered as taking an equal place in shaping one's character and personality.

Center Left: Byrd's new Jack the Jacket was played by Paul Malec. Center Right: Dobby Dunlap as Evel Boudreaux prepared to make a record-breaking jump. Lower Left: Tracy Borden, ready to make his debut as a cheerleader, posed behind stage. Lower Right: Student Council's reserve parking sticker sale was the scene of mass confusion.

ORIENTATION Presented New Principal

On the first days of school, August 26 and 27, students were presented with the Orientation assembly. In a skit explaining the functions of various clubs and organizations, students encouraged new Jackets to participate in Byrd activities. The sound of a whistle, starting the march of the Pep Squad into the auditorium, startled many new students. Curt Thurmon introduced the new principal, Mr. Jewell Wagner, and Dr. Rose Fitzgerald, the new assistant principal. Students looked forward to a new year at Byrd, having seen the spirit and enthusiasm of its students.

Mr. Johnny Harkness handed sophomore Jim Moss his schedule card on Orientation day.

Having been introduced by Curt Thurmon, Mr. Jewell Wagner spoke to the student body.

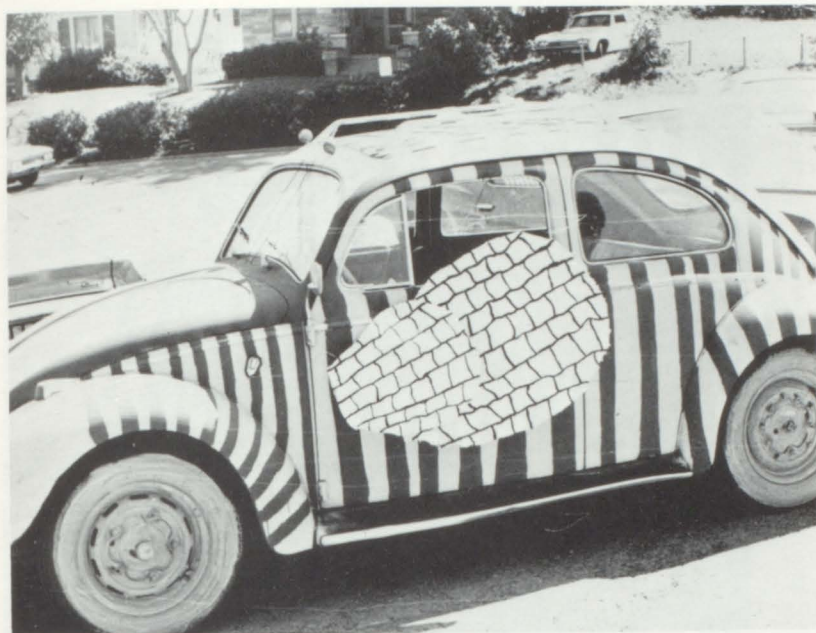

Waiting for the bell to mark the beginning of orientation activities, sophomores and freshmen talked with friends in front of Byrd.

On Freshman-Sophomore day, the Pep Squad surprised students by marching into the auditorium to the sound of a drum cadence.

GATOR HUNT DAY Boosted Spirit

"Jackie Jacket," the winning car of the Key Club car-decorating contest, was the work of Sharon Dearing.

Gator Hunt Day, the day of the Captain Shreve game, was filled with spirited activities. The cafeteria was decorated with murals painted by the Senior Pep Squad. Interact won the Key Club car-decorating contest with their club's entry. The individual award was given to Sharon Dearing for her decorated car. Students also promoted spirit by painting sheet banners which were hung from the outside wall of the gym. The pep squad, using the theme, "Lick the Gators," presented the student body with suckers. The skit given by the cheerleaders was highlighted by the presentation of a new and living Jack the Jacket. The football players were awarded a large spirit stick at the assembly to show appreciation for their many hours of hard work.

Kay Mock portrayed the Cowardly Lion in the Gator Hunt Day assembly.

During the week of the Captain Shreve game, murals were put up in the cafeteria to depict the Jacket-Gator rivalry.

Class of '49 Held Memorable REUNION

Members of the class of 1949 held a memorable reunion honoring their high school days on October 5. The festivities began as the alumna sat and cheered as a group at the Homecoming game. Afterwards a party was given in their honor. The following day the group met at Byrd and held a coffee for their former high school teachers in the Purple and Gold Room. Lunch was then served in the school cafeteria followed by the viewing of slides of their high school days. The Stingerettes welcomed the alumna by marching into the auditorium as did the National Honor Society by presenting a skit. A dinner-dance held that evening ended the activities of the reunion.

The graduates of 1949 and their families enjoyed viewing old photographs.

Members of the class of 1949 registered in the main hall for the day's activities.

In the homecoming skit performed at the reunion, Katina Booras as "Regan" was exorcised by the priest John Russell and his assistant Wayne Homza.

J. H. Duncan Spoke At HOMECOMING

Katina Booras portrayed Regan in the National Honor Society's version of *The Exorcist*.

Byrd celebrated its Homecoming event October 4, playing Southwood. The band provided entertainment playing "Just You and Me" and "You Gotta Have Heart." The National Honor Society presented the program for the Homecoming assembly by doing a take-off on the *Exorcist*. The priest, John Russell, exorcized the Southwood spirit from a Byrd student, Katina Booras. A former principal, Mr. J. H. Duncan, addressed the student body and led it in a cheer. Mr. Wagner also addressed the student body. A reunion was held for the 1949 graduates. A dance was held after the game in the Byrd gym. Entertainment was provided by Malachi.

Mr. Jewell Wagner spoke to the student body at the Homecoming assembly.

To promote spirit for the game, the Homecoming cheerleaders led the student body in "Smoke'em."

GO WEST DAY Aroused Enthusiasm

Go West Day, which began many years ago when Fair Park was the only school west of Byrd in Shreveport, started with the Senior March from the tennis courts up Gladstone to the school.

Byrdites shed their everyday school clothes and dressed in outfits similar to those of the old west. The cafeteria was decorated with murals painted by the Junior Pep Squad. The Student Council sponsored the contest for the best costumes. Other events included the assembly and the large cake made by the Junior Pep Squad for the senior Stingerettes. That night at the football game the Band and pep squad joined for the half-time performance.

Wooden figures, constructed by the Art Club, decorated the front of the school.

Go West Day activities began with the Senior March.

Keeping with tradition, the Junior Pep Squad sang goodbye songs to the Seniors at the final football game of the season.

Rogers Honored at BASKETBALL DAY

Curt Thurmon presented Coach John Rogers with a plaque for nineteen years of dedication to Byrd High School.

In celebration of Byrd's last district game the student body elected a Basketball Court. It consisted of a representative from each class and two sweethearts elected by the team. The court was presented at a special assembly highlighted by Curt Thurmon presenting Coach John Rogers with a plaque in appreciation for his nineteen years of coaching and teaching at Byrd High School. As an added attraction the Student Council sponsored a faculty-student basketball game. The senior boys played the men faculty and the senior girls played the women faculty. Decorations featuring a Valentine theme were provided by the Student Council Recreation Committee.

The 1975 Basketball Homecoming Court and escorts were, Elvis Jeter; Sedrick Cotton; Larry Ayres; Cathy Hulsizer; Deborah Oden; Ellessie Greer, Sweetheart; Kathy Nolen, Sweetheart; Sharon Simpson; Dana Jones; Mike Waters; Gerry Lott; and Charles Rogers.

New Jack the Jacket Was

Members of Super Flypaper's gang, Pam Harris and Steve Billiard, drank Jacket Juice in the BTW pep rally.

In the Northwood pep rally, George Evannoff had a taste of spirit pie.

The new Jack the Jacket, Paul Malec, was presented by Pam Harris in a skit based on the Wizard of Oz.

Francine Messina, Amie Dossett, and Mary Leonard, portraying Woodlawn Knights, came to rumble with the Jackets.

Presented In PEP RALLY

The 1974-75 cheerleaders promoted spirit at every pep rally.

Byrd's football games were highlighted each week with pep rallies designed to promote school spirit in each person. These pep rallies were an important part of Byrd because they promoted the football team and allowed students and teachers to display their support. After the traditional opening of each pep rally, announcements concerning the student body were made and a variety of skits were presented through the efforts of the cheerleaders and others assisting them. Following the skits the cheerleaders promoted spirit by leading cheers which were climaxed by the awarding of the spirit stick. School spirit was also shown by the Byrd Band's musical talents as well as student participation in the painting of banners. The student body joined together to sing "We are the Jackets" to end each pep rally.

The Byrd Band played "Just You and Me" and many other popular songs during the pep rallies.

The student body displayed their support each week by cheering the Jackets on at pep rallies.

MINI-COURSES Boosted Career Interest

On several Tuesdays throughout the year, the co-ordinators provided the student body with various people from the community who spoke on subjects pertaining to several career areas. English students were given the option to attend a mini-course or to participate in an activity period. Not only were the mini-courses interesting, but they provided knowledge to inquiring students.

Irving Ziedman and Liza Abramson portrayed excerpts from "Man of La Mancha."

Jim Montgomery, of the *Shreveport Times* visited Byrd and spoke to English classes about critical writing.

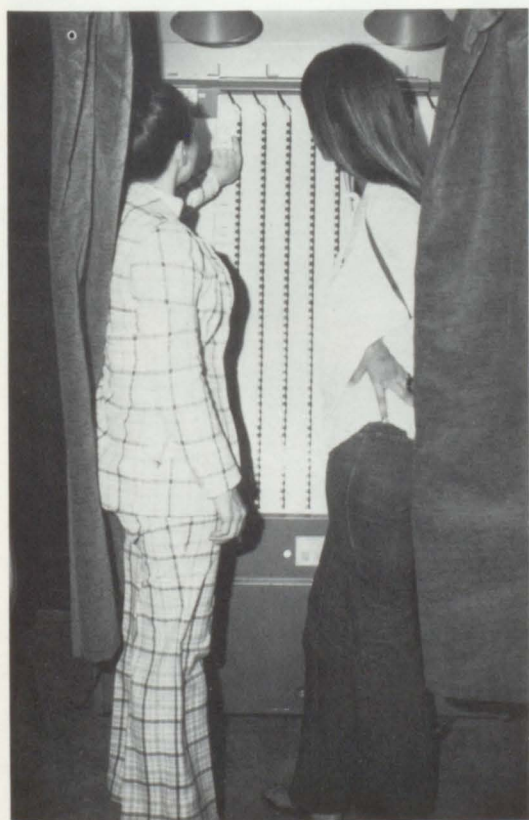

During a Mini-course, Mr. Richard Smith, the sponsor of the Junior League, talked with interested students.

Spring ACTIVITIES Concluded the Year

Lt. Col. Thomas Woodley and Queen Janice Jordan had the first dance at the Military Ball.

Students assembled several times during the last semester for the usual spring activities which were highlighted by special presentations. The Louisiana Tech Stage Band and Jazz Band performed at sixth period on Music Appreciation Day. The climax of the performance occurred when the Jazz Band closed with "Make Me Smile" and a drum solo by a Byrd graduate Chuck Edwards. On Teacher Appreciation Day an assembly was called at which all faculty members were recognized as a group. On three consecutive days elections involved assemblies in the auditorium for cheerleader try-outs, Student Council campaign speeches, and voting. The Military Ball was held at the Barksdale Officers' Club in March, during which Battalion Commander Thomas Woodley and Queen Janice Jordan had the first dance. All of these activities brought the year to a gradual close and instilled memories of Byrd in the minds of those graduating.

On election day parents volunteered to help students understand the voting procedures.

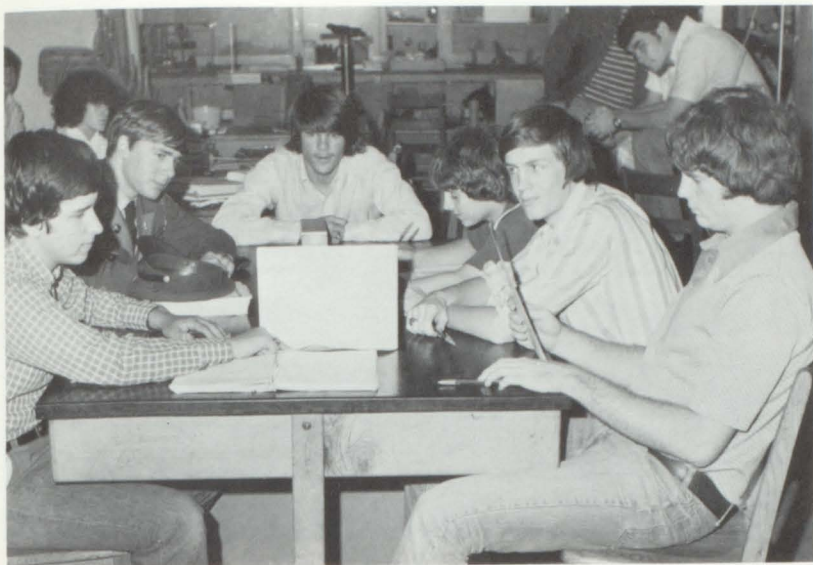

The Louisiana Tech Stage Band opened the Music Appreciation Day Assembly with its usual fanfare.

ORGANIZATIONS

Byrd's organizations provided a way for the student to develop skills in working with others. Those students with leadership ability who wanted to assume positions of responsibility participated in extracurricular activities according to their interests. An advantage of Byrd was that, because of its size, a many-faceted program of activities was available to any student. Through group projects which were completed in organizations, the participant not only received a sense of accomplishment but also learned the importance of cooperation and dependability which is necessary in later life.

CHEERLEADERS Awarded Spirit

The cheerleaders energetically spent many hours working and planning for the upcoming school year during the summer vacation. Also during the summer they dutifully practiced in preparation for summer camp at Sam Houston State College in Huntsville, Texas. The cheerleaders helped maintain Byrd spirit and enthusiasm by winning the spirit stick and three superior ribbons while at camp. These nine senior girls were elected in the spring of 1974 by the entire student body.

Membership of the club included first and second year Latin students as well as former students who have maintained their interests in the language. Patterning its system of government after that of the Romans, the Forum had two consuls, two scribes, two tribunes, and a quaestor.

Various activities took place which included the annual Christmas party, and the spring banquet when members of the Latin Forum attended the state convention held in Monroe, which had the theme *Pax per mentem*, translated "Peace through understanding."

LIBRARY CLUB Devoted Time to

Devoting their time to the benefit of the library, the school, and other Byrd students, the members of the Library Club were a great asset to the school. Workers devoted many hours moving books from the old library to the new facility in the basement. Their daily work in the library included handling the exchange of books and audio-visual material. One activity undertaken by the club was to rewrite the club's constitution, bringing it up to date and shortening its length. An end-of-the-year banquet, honoring second-year workers was also planned by the club.

Library Club officers were, Floyd Harrison, President; Sharon Dearing, Vice-President; Denette DeYoung, Parliamentarian; Stacy Aldridge, Treasurer; Annette Hart, Secretary.

Students who worked in the Sippy Hut sold Sippies to the students and faculty members. By spending their time wisely, they learned the skills of office administration and store management. Students on the Advisory Committee counted votes in all school elections. These students deserve recognition for contributing their time to the benefit of the school.

ATHLETICS

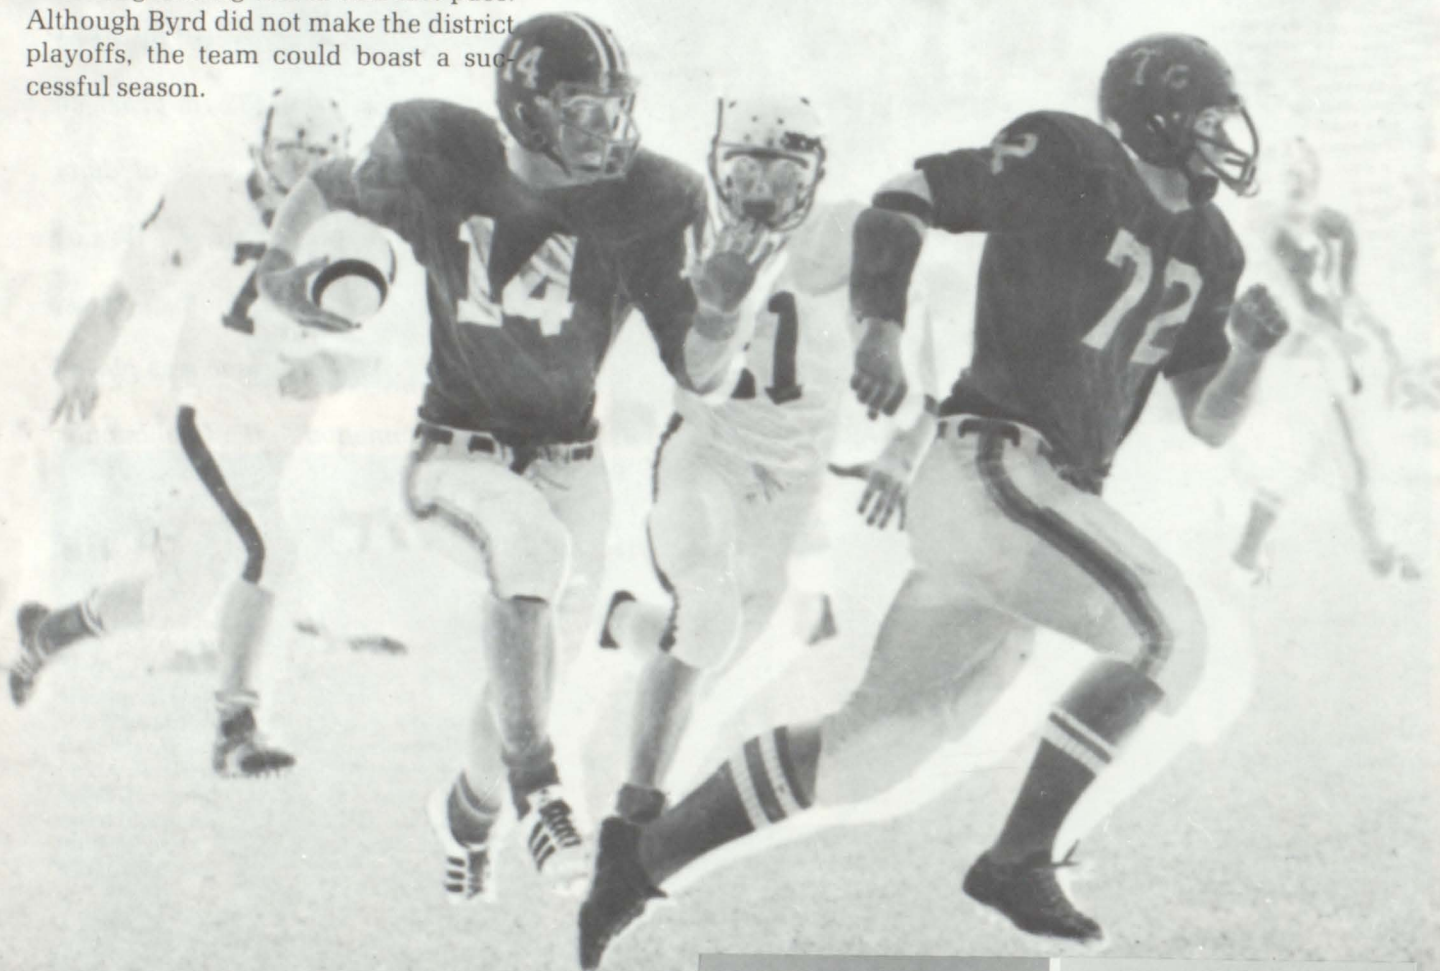

Jacket spirit was evident throughout all of Byrd's sports. This sense of pride existed not only on the field of play, but in the hearts of every Byrd student. Good sportsmanship and drive were qualities that were cultivated by a fine athletic department. Team practice developed skills and a sense of unity among individual members. Win or lose, whether baseball, football, track, golf, or tennis, every game was played with determination to the final minute. Sports were not outside activities, but a way of life for all Byrd students.

Lower Right: In the Homecoming game played against the Southwood Cowboys, Defensive back, Mike Gatson intercepted a pass.

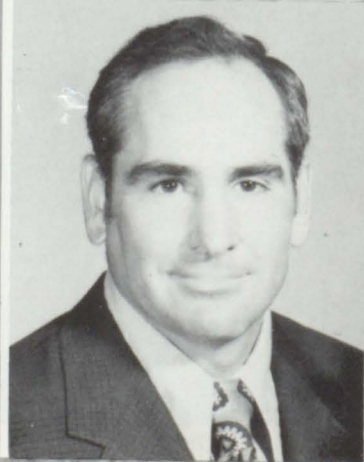

FOOTBALL

At the close of the 1974-75 football year the Jackets missed having a winning season by one tie game. The games were characterized by typical Jacket spirit and close scores. Plagued with small size, the team had to depend upon their unity. The Jackets opened the season with an impressive display of skill against the number one ranked Bossier Bearkats. As the season progressed the Jackets became known for their long scoring drives and fast pace. Although Byrd did not make the district playoffs, the team could boast a successful season.

Defense Was a Big Factor

BYRD 8 BOSSIER 14

The Byrd High Yellow Jackets played an exceptional first game against pre-season favorites, the Bossier Bearkats. The Jacket defense held the Bearkats to 8 points in the first half. The offense returned for the second half and moved the ball the length of the field and consumed six minutes in fourteen plays without a mistake. Mark Adams blew across the Bossier defensive line to complete the drive with six points. The Jackets went for the two point play and scored with a pass to Rodney Sykes, tying the game 8-8. With six minutes remaining, the Jacket defense injured the Bossier quarterback, and a sophomore was put in the position. On the first play, the quarterback threw an incredibly lucky pass and scored a touchdown, bringing the final score to 14-8. The defense was led by Ken Lottinger, Gif Gillen, and Jerry Shelton.

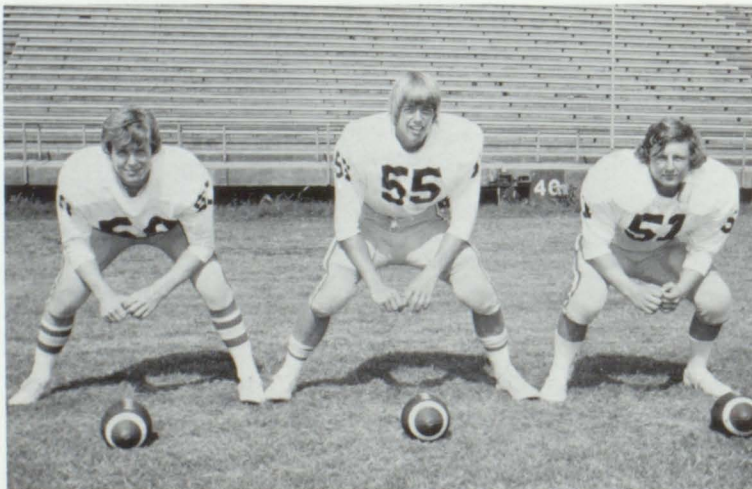

In the second half, Ken Theis broke through the Bossier defense during the Jacket's 70 yard scoring drive.

Defense was the only factor that saved both teams during the pouring rain. Neither offense could perform fakes and options because of poor field conditions. There were twelve fumbles and three interceptions as teams tried to control a wet football. The only chance the Jackets had to score was when David Woodley slipped on an end sweep with 38 seconds remaining. The offensive yard gainers were Mark Adams and Ken Theis with a total of 116 yards. Interceptions were made by Curt Thurmon, Frankie Nelson, and John Reisz.

Quarterbacks for the 1974 season were, *Kneeling*: John Hay, Pat Locke. *Standing*: David Woodley, Ken Theis.

The Jackets offense, led by Ken Theis with 71 yards and Mark Adams with 100, ran the Lion defense into the ground. Quarterback, David Woodley connected with tight end Gerry Lott four times for a total of 44 yards. This win would not have been possible without the blocking of Benji Lester and Jimmy Archer.

In the Homecoming game against the Southwood Cowboys, the Yellow Jackets scored on their first two possessions. After the opening kickoff, David Woodley romped for 58 yards on an end sweep and gained valuable field position. The total yardage after several plays was approximately 71 yards. Woodley then threw a touchdown pass to tight end Gerry Lott in the end zone for the first score. The second score was set up by an 89-yard drive consisting of a 29-yard Woodley run and Mark Adams running three plays for 23 yards. Woodley capped the drive with a seven yard run for the score. The Jackets went for the two point play as Ken Theis threw to Ken Lottinger in the end zone. Byrd 8 Woodlawn 17

When the Jackets prepared for their game with the Woodlawn Knights, they never realized that it was going to be their most physical game of the year. The Jackets and Knights were about the most evenly matched teams in the district. Byrd started the game with eight points in the first quarter. Steve Norris blasted through the Woodlawn offense and blocked an attempted punt. The ball was immediately picked up by Butch Ford who crossed the goal line for the score. The Jacket offense went for a successful two-point play with a pass from Robert Folsom to Mark Adams. Although the Jackets held an 8-6 lead throughout the first half, matters were not as good in the second. The Knights picked up a fumble and gained excellent field position which they turned into a score that helped them win the game. Jerry Shelton, Benji Lester, and Butch Ford led the defense.

Jackets Displayed Excellent

Byrd 14 Capt. Shreve 27

The Byrd High Yellow Jackets held the Capt. Shreve Gators until late in the third quarter. The Gators were favored by several touchdowns because they were undefeated and rated second in state. But the Jacket defense literally destroyed the unstoppable Shreve offense. Due to too many two-way starters, the defense grew tired late in the game and could not hold up their excellent game. Quarterback David Woodley rebounded with a screen pass to Ken Theis, and after a 14-yard romp, Theis scored the first Jacket touchdown. The second score came when Woodley threw a 27-yard touchdown pass to Gerry Lott.

Butch Ford and Richard Smith led the way for John Reisz when he ran the option around the right end against the Fair Park Indians.

The North Caddo Rebels started the game with the first touchdown and ended the game with one, but in between the Jackets scored five times. The Rebel's first score came when the Jackets fumbled on their own 34 yard line and North Caddo recovered and threw a pass for an early touchdown. Although the Rebels made their points by chance, this was not the case with Byrd. Mark Adams scored two touchdowns, the first was a 78-yard drive by Ken Theis and Adams, and the second was made when David Woodley threw a pass to Adams for a 23-yard score. Richard Smith later picked up a blocked punt and ran for a 30-yard touchdown. The final two scores were similar, both reflecting the Jackets' spirit. Miles Cook took an 11-yard pass from David Woodley to score, and Ken Theis romped 11 yards to bring the final score 35-27.

Jackets Utilized New

Byrd 12 Huntington 7

Rainy weather proved hazardous as the Yellow Jackets met the Huntington Raiders at Shreve Stadium. The Raiders' only touchdown was made when the Jackets attempted to throw a wet football and the Raiders intercepted. Later the Jackets scored a touchdown but missed the extra point which brought the score to 6-7. In the last seconds of the game, David Woodley crossed the goal line on a quarterback sneak and won the game for the Jackets.

Although unable to participate, injured players, Gif Gillen and Kim Kosmitis contributed spirit and enthusiasm.

BASKETBALL

At the conclusion of an exciting basketball season, the Byrd Yellow Jackets placed second in the district 1-AAAA. They finished second with an over all 9-9. As the season progressed, the skill and talent developed by many hours of practice and good coaching enabled the Jackets to gain their title. Veteran coach John Rogers inspired the Yellow Jackets with tremendous spirit which led them to their victories.

The Jacket defense held strong until Elvis Jeter suffered an eye injury and Minden made 3 baskets to clench their first win.

TRACK

The Byrd Track Team proved its skill and agility during the 1974 season placing second in the district 1-AAAA meet. Charles Hubley, the only qualifying team member from Byrd, went to the state meet in Baton Rouge and competed in the mile and the high jump, placing fifth in the high jump. The team got off to a slow start, but improved with extensive training and desire. With the guidance and supervision of Coach Tom Cathey the Byrd track team had another rewarding season.

During the meet which BTW won, Byrd came in sixth, Donald O'Bannon placed first in the high jump and second in the long jump; Mike Simon placed second in the pole vault, and Frankie Nelson placed first in the 220-yard dash.

The cindermen had many placers in the Viking Relays and yet finished sixth. Byrd's powerful sprinter, Frankie Nelson, placed second in both the 100 and 200-yard dash. Marc Love finished third in the 440-yard dash, with the 880-yard relay team and mile relay team placing fourth and fifth. In the field events Donald O'Bannon won second in the high jump, and Mike Simon also placed second in the pole vault.

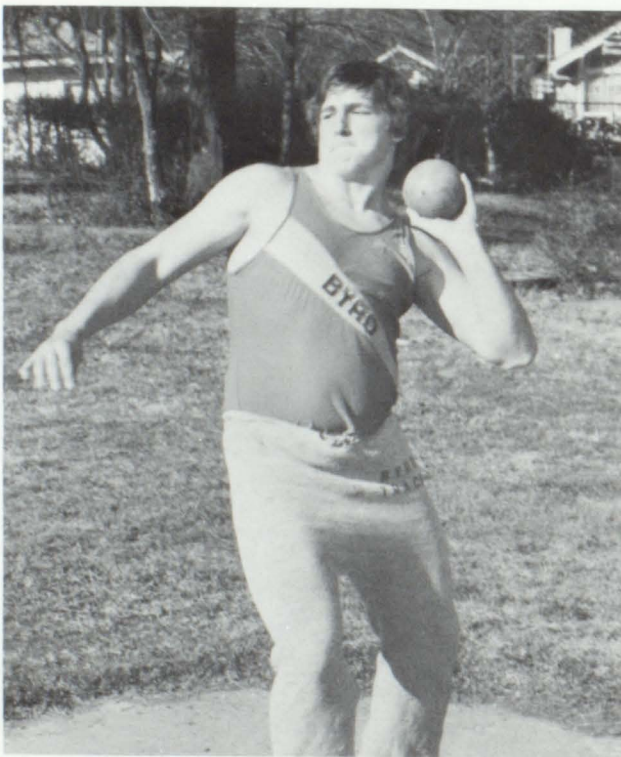

Members of the 880-Relay team were Paul Smith, Gary Williams, Marc Love, and Frankie Nelson.

Byrd Tracksters Placed

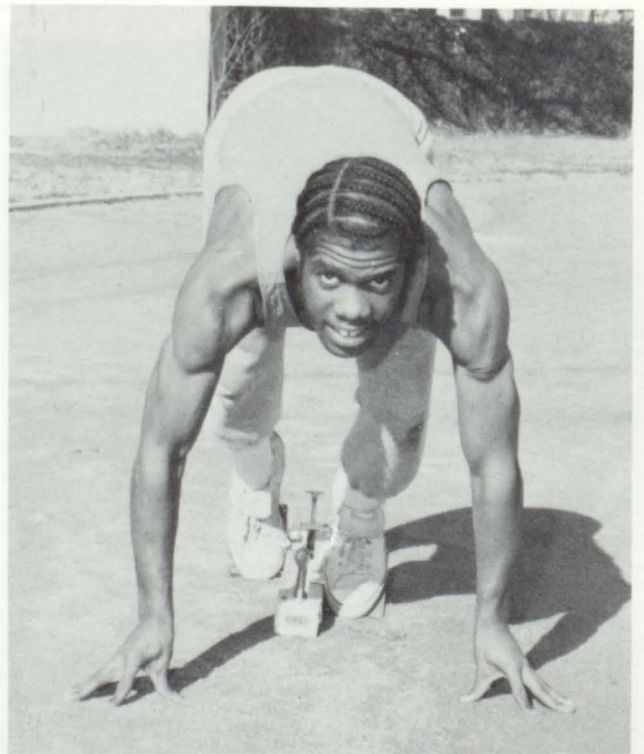

Due to a wet track caused by bad weather conditions, the Indian Relays were moved to the Captain Shreve track. The team did very well, placing second behind Northwood. Frankie Nelson finished first in the 100-yard dash and second in the 220-yard dash. The relay teams also did well with a third placing in the mile relay. With the team effort of all the members, the track team took second place with the satisfaction of a job well done.

During the BTW Relays, Donald O'Bannon participated in the running broad jump.

Field Events Helped Jackets

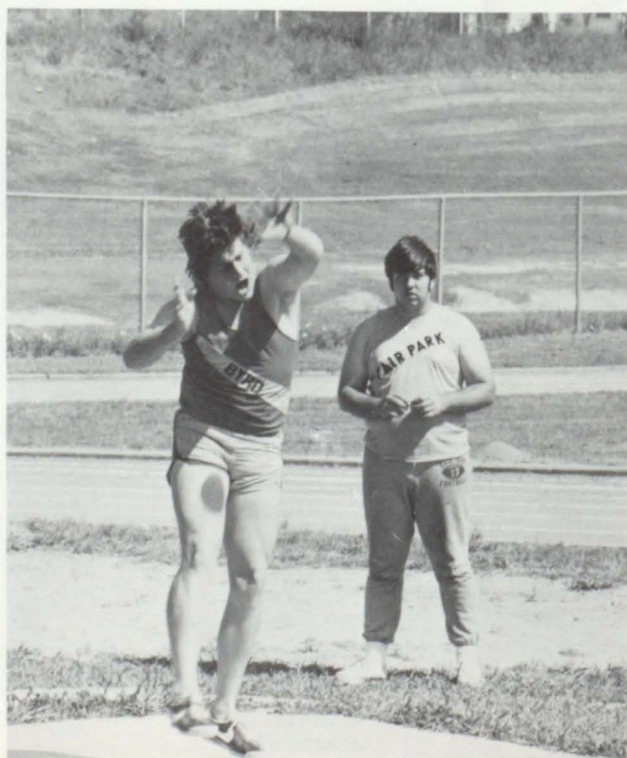

The Byrd Cindermen came up with another good showing at the Gator Relays. The team placed a strong second with BTW winning. Even though the team did not do as well as they had hoped, Frankie Nelson had a successful day, winning the 100-yard dash with a record-setting 9.5 along with Mike Simon and Donald O'Bannon placing high in the field.

Frankie Nelson specialized in the 100-yard dash.

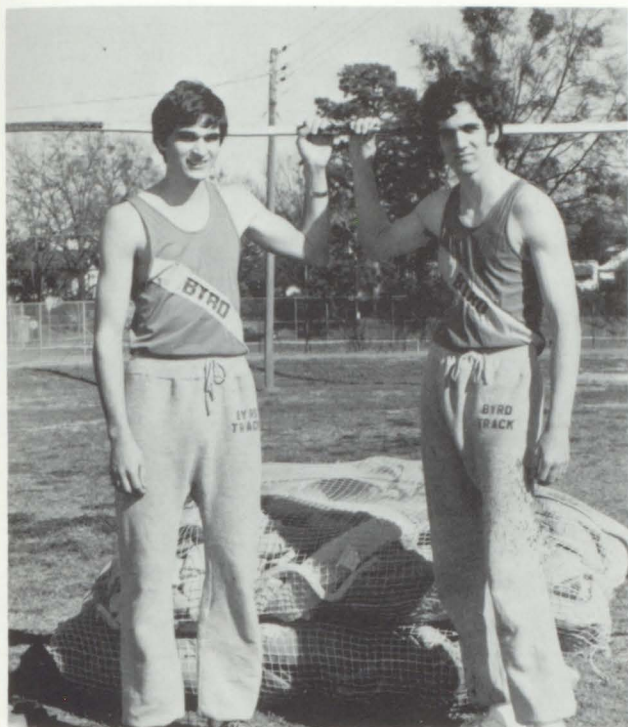

Frankie Nelson and Calvin Moore prepared for the 220-yard dash.

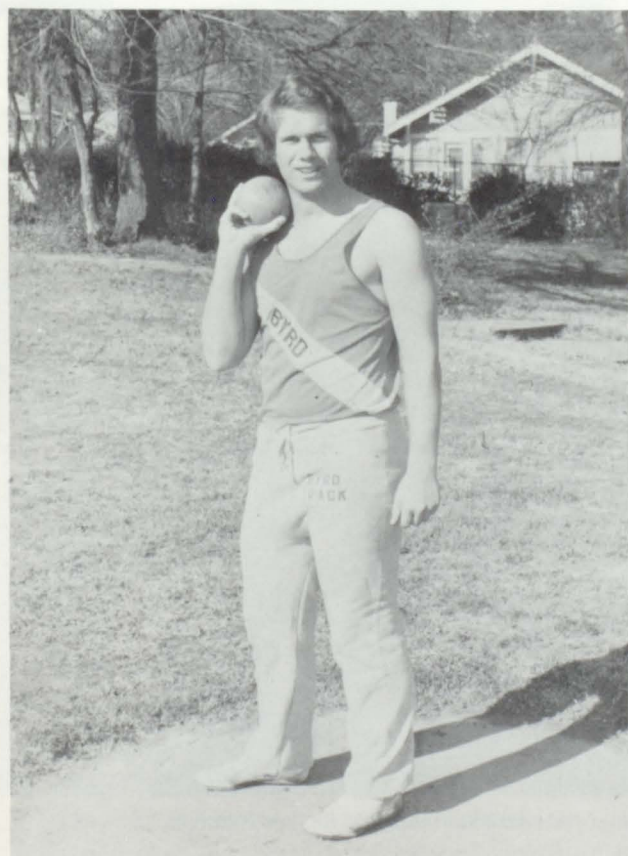

Richard Smith released the shot-put for an outstanding throw.

The district meet was not only the closest meet but also the most crucial meet. This year's district meet was held at BTW. It determined whether or not a contestant could go to regionals, and Byrd had many participants who qualified. Frankie Nelson won first in the 100-yard dash; Paul Smith placed second in the 880-yard dash, and Charles Hubley came from behind to take first in district in the high jump from teammate Donald O'Bannon. Once again the mile relay came through with a remarkable second place.

Darrell Jones struggled to catch the lead.

Jackets Made Fine Showing

Regional Meet

The Byrd Cindermen neared the end of the season with the regional meet at Ruston High School. Byrd had many representatives who placed. Frankie Nelson placed third in 100-yard dash with a time of 10.1; Charles Hubley placed second in the high jump.

The mile-relay team members were Si Borden, Sidney Campbell, Marc Love, and Paul Smith.

Charles Hubley stretched for the last few yards of the 880 run.

The field event tracksters were Gif Gillen, Artis Jones, John Day, and Richard Smith.

in Regional and State Meets

The discus was thrown by Melvin Jacobs at the Bossier Meet.

The high jump was displayed by Donald O'Bannon.

State Meet

Although Byrd had only one representative at the State Meet, this team member made a good showing. Proving to be a strong competitor, Charles Hubley placed fifth in the high jump with a leap of 6'2½". Although the team did not place as high as in the previous year, they ended the season with a good record.

Gary Williams and Sidney Campbell practiced the mile run on the Byrd track.

TENNIS

In the 1973-74 season the Byrd Tennis Team had an overall dual match record of 23 wins and 0 losses. In this perfect record they edged by Captain Shreve twice in two very close matches. The team traveled out of town to many tournaments. They played in the Southern Open Tournament in Magnolia, Arkansas, the Kodak-Eastman Tournament in Longview, Texas, and in a tournament in Garland, Texas. In the Regional Championships, the team did very well, qualifying in each division to play in the State Championships.

Last year there were significant changes made in the Louisiana State Tennis Championship. There had been only one winner; the team who got the most points. The rules were then changed to have five different divisional winners, boys singles, boys doubles, girls singles, girls doubles, and mixed doubles. Therefore, there would be no overall trophy. In the 1973-74 State Championship, the Byrd Tennis Team captured the mixed doubles title with Carol Weyman and Phillip Campbell. Carol and Phillip won the championship each year they were at Byrd; they were given an award at graduation for their performance of the past three years. Carol Stephens and Karen McCarter were runners-up in the girls doubles division. Paul Gallagher and Bill Peavy won points for the team in the boys doubles division as did Phillip Campbell in the boys singles division.

Boys' P.E. Promoted Sportsmanship

The boys' physical education department offered a variety of active sports such as volleyball, touch football, softball, tennis, and track and field. Twelve weeks of the year were spent indoors doing various activities including weightlifting, table tennis, tumbling, trampoline, gymnastics, and other recreational games. During the year the boys proved their personal ability in a unit on physical fitness, and a program of health education was also a part of the required curriculum. Rainy or cold days were spent viewing athletic films in the varsity lecture room. All of the activities provided fun and enjoyment while also promoting sportsmanship, coordination, and teamwork.

Rob Hay and Craig Gill observed, as Vincent Fulco lifted a one hundred thirty-five pound weight.

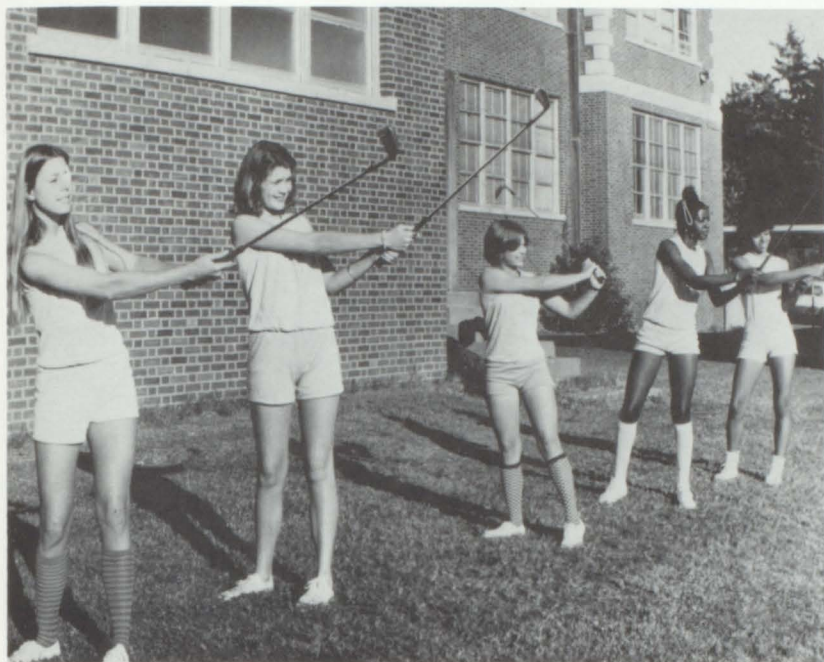

Bailey Harris hit the baseball, and opponent Dan Cheesman participated as catcher.

Johnny Wessler attempted to spike the volleyball over the net, while team member David Harper prepared to assist.

GIRLS' P.E. Cultivated Interest

Teeing off in golf were Tina Feldt, Margaret Bell, Jenny Verhalen, Jeannie Davidson, and Twone Cooper.

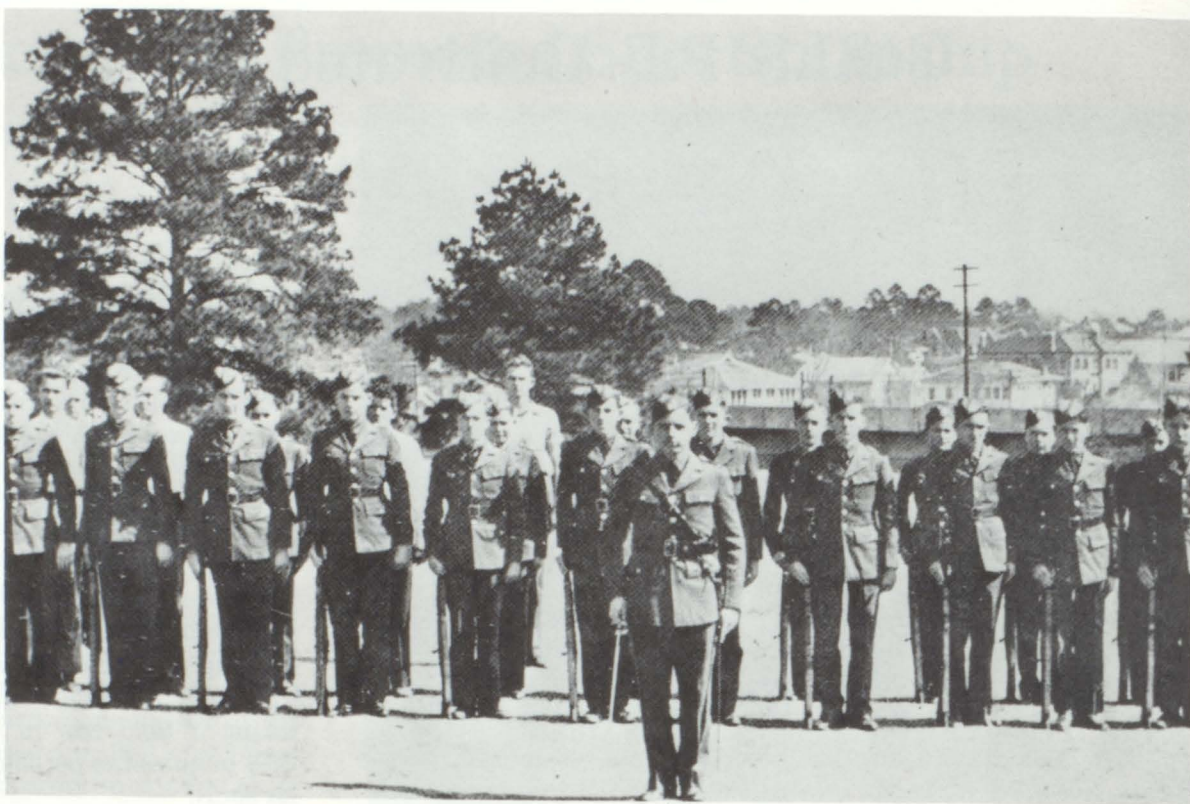

Girls' P.E. encountered changes in state requirements and in class activities. The state requirement for the P.E. Department was altered in 1974 to require credits in the ninth and tenth grades and to allow electives for four possible credits for the eleventh and twelfth grades. Class activities included basketball, volleyball, golf, archery, tennis, and bowling. The department's newest trampoline enabled students to develop advanced skills in gymnastics. The golf classes culminated the unit by taking a field trip to Querbes where they acquired experience in this popular sport.

Theresa Fortner and Robbie Coleman solved a tie ball with a jumpshot.

Mrs. Minnie Goldsmith demonstrated badminton techniques to Doris Abbott.

MILITARY

Teaching new uses of discipline and giving hope of future military careers for its participants, the Reserve Officers Training Corps was an important part of Byrd's curricular life. Commenced in 1936, the R.O.T.C. promoted interest in competition, obedience, and self-discipline. The drills, parades, and other exercises undertaken by the military department were used to prepare young men and women to finish high school as mature adults ready to further serve their country in various occupations.

ALPHA COMPANY Obtained

Alpha Company, led by 1st Lt. Herman Burton, improved steadily each week as cadets strove for the honor of being "best company." This teamwork paid off for each individual in the form of ribbons and promotions. Female cadets for the first time assumed officers' positions and ranks in Alpha Company. Second and third year students contributed greatly to this company's success. The executive officer was Larry Watson and the two platoon leaders were Janice Jordan and James Baily. Peter Chrissoverges was the 1st sergeant and Kenneth Nester was the guidon bearer.

BRAVO COMPANY Had Best

Under the able and strong leadership of Charles Smith, Bravo Company improved daily and by mid-term was the battalion's "best company." Although lacking experienced officers, the command positions were readily filled by capable officers. Stressing the fundamentals in company drill and manual of arms, "B" company's cadets placed high in individual drill competition among cadets. "B" company also contributed many cadets to the extra-curricular activities in R.O.T.C. such as Drill Team and Usher Unit. The executive officer was Franklin Autry. The first sergeant was Florida Kirksey, and DeWayne Autry was the guidon bearer. Randy Carrington and Freddie Stewart served as platoon leaders.

This ability was recognized in the number of ribbons and promotions awarded in the company. This company also had the band platoon, commanded by Cadet Corp. Bart Owens. The Special Forces Unit was the only extra-curricular activity in R.O.T.C. to be completely free of faculty supervision, having the right to plan their own meetings and practice days. Participation in the Special Forces Unit required an excellent record in the basic R.O.T.C. military science course.

MUSIC

Music as an expression of emotion and knowledge is part of everyone's life as it comes to them through radio, records, and live entertainment. Recognizing music's important place in the student's life, the music department at Byrd offered a program which encompassed varied means of expression for many types of music. The band gave up-beat performances at football games and assemblies, while the choir added inspiration with religious music at special holiday assemblies. Others in the music department gave concerts which were open to students and parents. Hours of practice paid off when many members of the music department won in competition of various types. The development and sharing of talents through the music department made new memories like those which have endured at Byrd for fifty years.

The choir served the community by singing at various schools and nursing homes. In the spring, the choir presented their annual concert. Honors were received by many of the girls in festivals and in district and state competition. During daily practice, the members of Orchestra went over different pieces they would later perform in concerts.

Under the direction of Mr. Claude Corbett, the Orchestra expanded its string program to include many horn instruments. Traveling to different elementary and junior high schools, the Orchestra provided many younger students the opportunity to hear orchestral arrangements as well as to see the various instruments played. During the Christmas season, the Orchestra held its annual Christmas Concert in the auditorium. The Orchestra program encouraged many students to widen their knowledge of classical music and to expand their musical ability.

Mr. Claude Corbett conducted the Orchestra as they played "Jesu Joy of Man's Desiring" by Johann Bach.

BAND Sold Candy

The Band "kept on trucking" this year with their own kind of Jacket spirit, performing all varieties of music and dance steps.

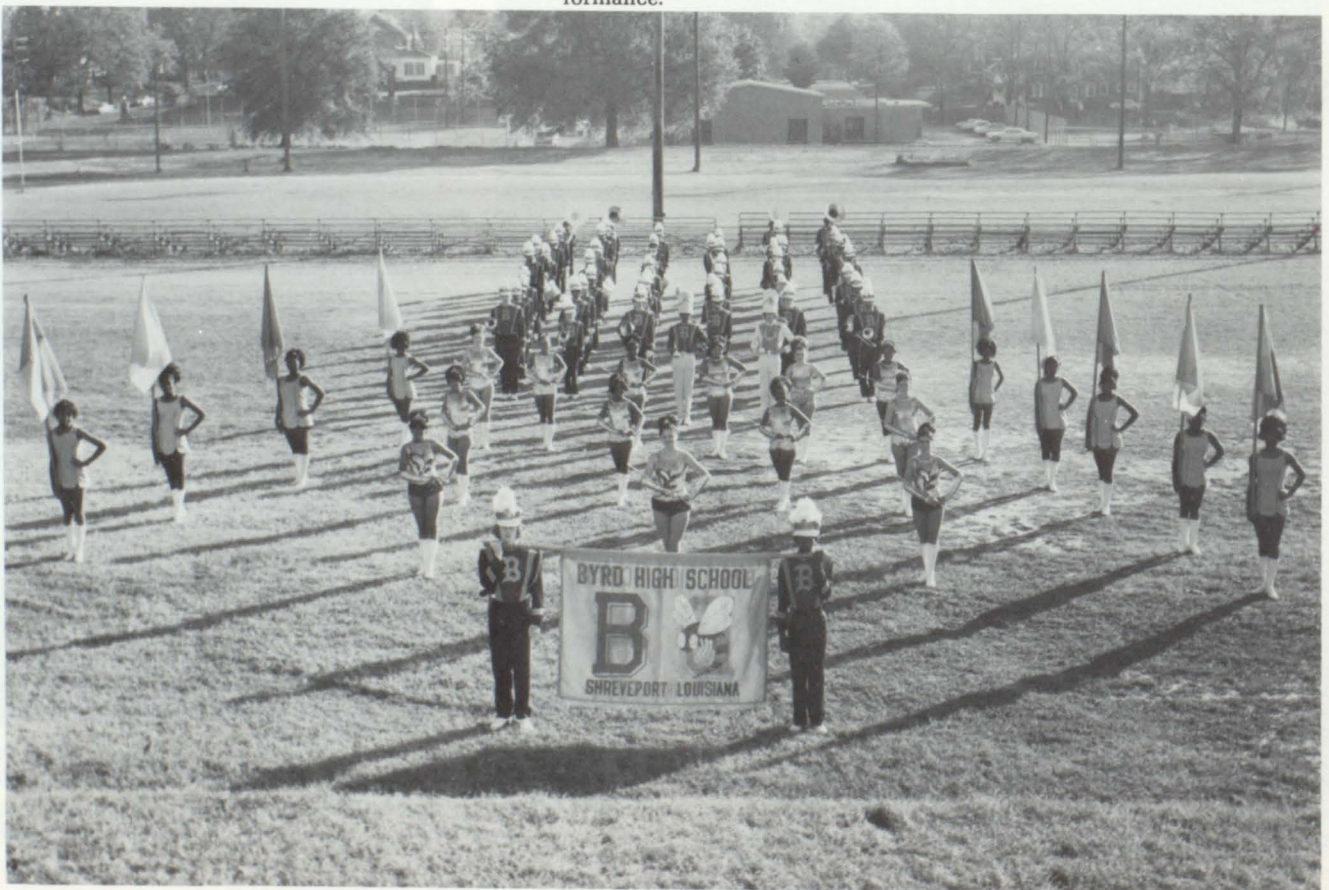

The Band was under the leadership of Mr. Roosevelt Shields. Assisting him were head drum major, Charles Hill, and assistant drum major, Gregory Reynolds.

Many hours of practice during the summer and after school resulted in a finer Band of unbeatable quality. The drum majors, heralders, and majorettes spent many long days in various band camps throughout the state. For their hard work they received many high honors.

This year the Purple and Gold Band from Jacketland received another special invitation to West Helena, Arkansas. At their Christmas Parade, they proved they were the best by bringing back the first place trophy. The Purple and Gold Band proved that it will never lose that Jacket spirit.

Percussion and tuba sections did a dance routine during a half-time performance.

WORK STUDY Taught Responsibility

The Work Study Program taught students responsibility and economic efficiency by placing many in jobs. This program, allowing students to complete high school in three years, worked in accordance with Caddo Parish guide for Work Study. Seniors were placed in full time jobs where they learned the characteristics of a responsible employee and a productive citizen. Juniors worked part-time, while sophomores took courses in math, English, and American history.

MRS. JOYE T. BYRD — Having earned her M.Ed. plus thirty hours from Northwestern State University; Mrs. Byrd taught in the Work-Study Program.

Mr. Prealow called potential employers about job placements for seniors in the work study program.

Mrs. J. T. Byrd

Mrs. Joye Byrd talked with Cathy Williams about grammar in sentences.

Programs to Meet Special Needs Added

Linda George and Deborah Davis practiced map interpretation skills in the deaf-oral class.

The deaf-oral program moved to Byrd from Broadmoor Junior High School at mid-term. There were nine students in the class, two students being members of Byrd's athletic teams. They spent most of the day in the deaf-oral classroom, but planned to move out into the school in such courses as physical education, art, industrial arts, and home economics.

A new method of rehabilitation was set up at Byrd in the beginning of the 1974-75 school year. Run by Mr. Hubert Allen and his aide, Mrs. Betty Page, the Reclamation Room provided students with the chance to continue their school work while under the influence of behavioral modification. Students were in the Reclamation Room for one to six periods of the day for up to five days and were guided in the completion of their assignments.

Mr. Hubert Allen pointed out to Cathy Castleman a misspelled word in an English composition.

Mr. H. C. Allen

Mrs. B. Page

PAGE, MRS. BETTY — Having received her B.A. from West Contra Jr. College, Mrs. Page was an aide in the Reclamation Room.

SCHOOL AWAY From SCHOOL, CADDO

Students who wished to finish high school but for some reason were unable to attend regular public school had the opportunity to take courses to receive credit at the School Away from School. There were three branches of the school located throughout Shreveport. Each school had two shifts to give students the chance to choose the courses they wished to take of the twenty-four offered and to choose a convenient time to attend. Students were eligible for this program by recommendation from teachers, counselors, and principals in their original schools. The School Away from School, with an average enrollment of 220 students, gave many students the chance to earn diplomas when they would otherwise have missed the opportunity.

Pamela Morris worked with Pamela Johnson and Jackie Moore in outlining an American history assignment.

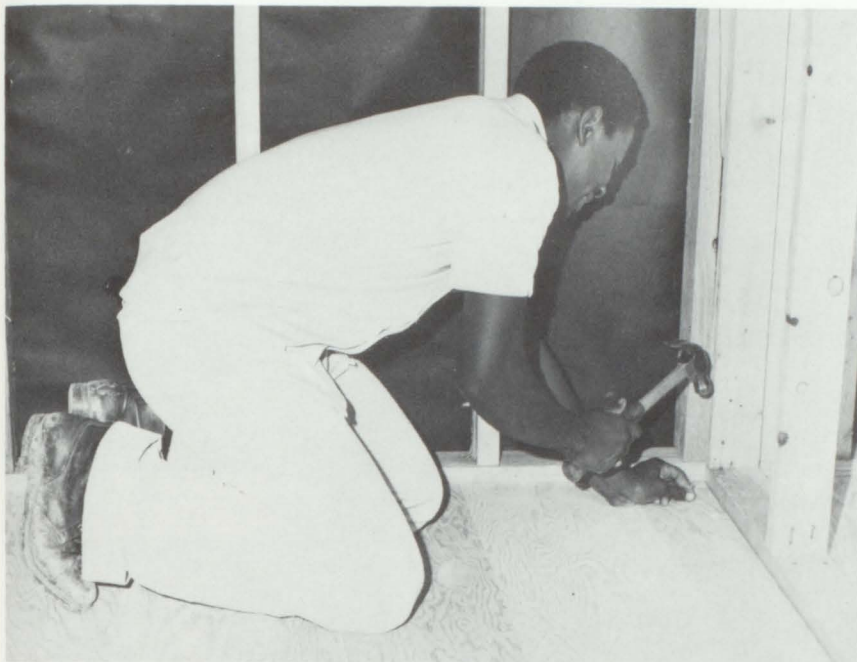

Ronnie Lewis studied federal government organization to gain credit in Civics.

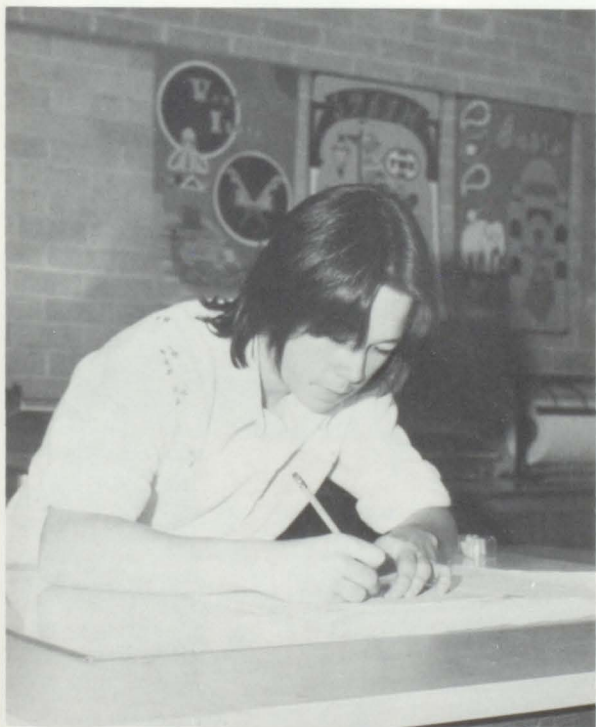

Anita Fellows Strong and Donna Lee checked the bulletin board to find the credits they needed.

CAREER CENTER Offered Career Study

A. C. Milton installed flooring in a model house built by carpentry students.

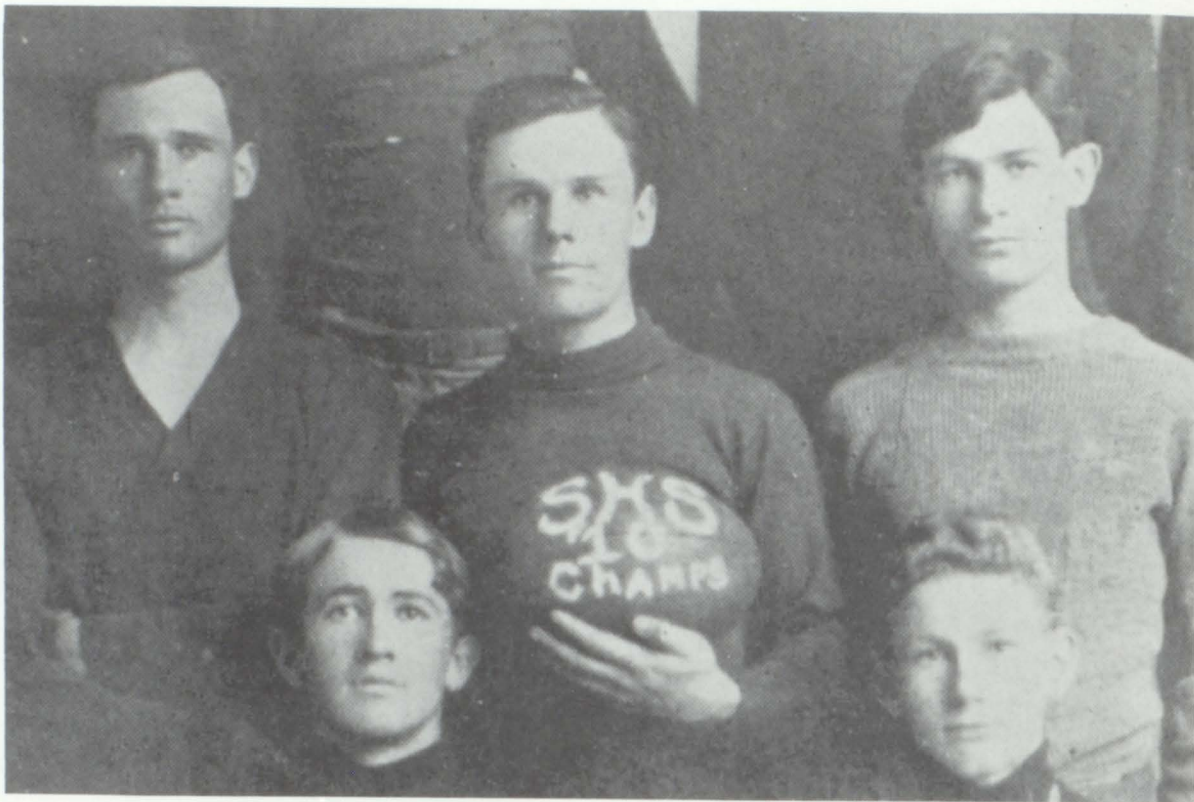

The Caddo Career Center, provided many junior and senior high school students with training and on-the-job experience in a vocational-technical field. Seventeen courses were offered which involved either preparation for occupations, trades and industries, or business education. Students spent three hours at the center each day. This program gave students enough experience to have a job opportunity while in school or to enter directly into a job after graduation. Modern techniques and equipment were used in teaching by skilled and experienced instructors.

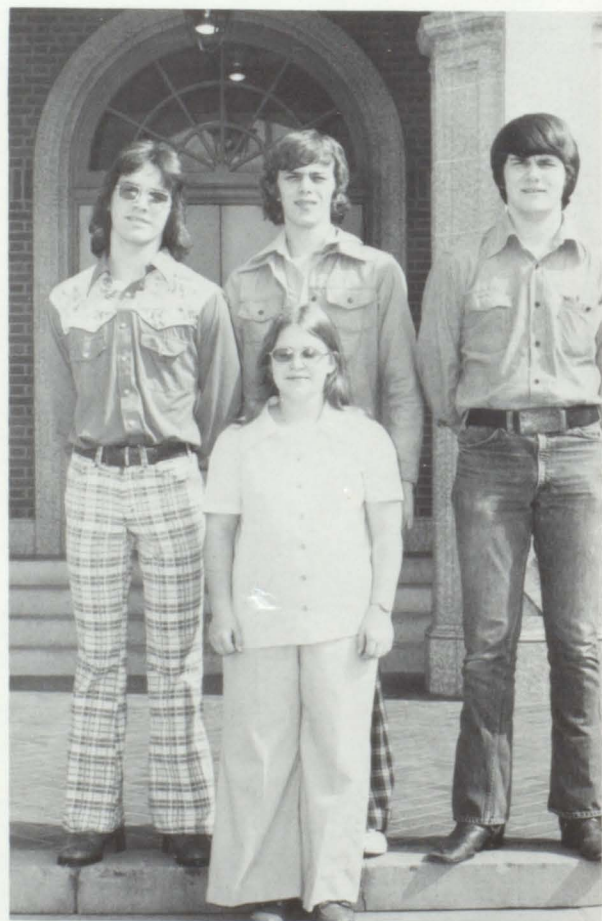

Joe Spell received vocational training through his Commercial Arts course at the Caddo Career Center.

Dennis Spearman set up the M 200 machine which analyzed the car.

HONORS

Those who excel in academics, leadership, and character deserve to be highly honored for their achievements. In high school, recognition for such accomplishments comes from teachers, from election to honorary clubs, from students in choosing favorites, or from judges in distribution of scholarships and awards. A person who excels and who always strives for higher goals deserves to be highly esteemed. Such students at Byrd can be proud of their strides and are assured that the extra work they did is not in vain, as it leads to success in later life.

Top: As a symbol of their advancement in high school, juniors received their class rings. Center Left: Raelene Pell was the only state entry for the D.A.R. American History Award. NFL Prepared Throughout

The National Forensic League, established in 1916, is one of the oldest high school chapters in Caddo Parish. To qualify for NFL, members from the Debate and Drama Clubs were required to have a number of points accumulated from past tournaments. Every year Byrd's members won many honors from various tournaments, including the one sponsored by Northwestern State University. Byrd has always taken pride in the trophies which NFL members received from hours of preparation and practice. The league was an honor not only because of the time, effort, and patience put into effect by the students, but also because of the competent leadership of its sponsors, Mrs. Sharon Bazerque and Miss Paula Pennington.

Officers of the National Forensic League were, Dobby Dunlap, President; Mark Pomeroy, Vice President; Chuck Ellis, Treasurer; Debbie Bonnevier, Secretary.

Bobby Darrow and Lynn Skipworth rehearsed their lines from a scene to be used in competition.

Immediately after being inducted, the new members were put to work by ushering at the Baccalaureate Service and distributing diplomas at the graduation exercises.

Mr. and Miss Gusher

Margaret Bane

The highest honors which the GUSHER Staff can award are the titles of Mr. and Miss GUSHER. Each year the staff, after careful consideration, votes for two seniors excluding senior favorites and GUSHER Staff members, who they feel contributed the most valuable services to Byrd. These seniors, who had to have attended Byrd for at least three years maintained high academic standards, high character values, and other qualities associated with those who receive respect from their fellow students and teachers. The GUSHER Staff takes great pride in presenting Miss GUSHER Margaret Bane and Mr. GUSHER Charles Edwin Hubley.

During her freshman year at Byrd, Margaret became involved in the art department, winning first place in the Holiday in Dixie art competition. In the next year she added to her activities participation on the debate team and entrance into the National Forensic League. During her junior year Margaret became a member of Mu Alpha Theta, NHS, and the Society of Outstanding American High School Students. She attended Louisiana Pelican Girls'

State where she was elected Outstanding Presiding Officer as Speaker of the House. As a senior Margaret added to her earlier activities membership in the Stingerettes for which she planned all of the Gator Hunt Day murals for the cafeteria. Margaret was also honored by being selected to be a HIGH LIFE personality and a member of The Top Twenty-Five.

Since coming to Byrd as a sophomore, Charles served the school through his membership on the Byrd Track Team and his work on the HIGH LIFE. During his junior year he was a member of Future Teachers of America and Spanish Club, and he continued his work on the HIGH LIFE as a news editor. That spring Charles was the only member of the track team to qualify for the state meet. Later that year he was inducted into NHS, Quill and Scroll, and Who's Who Among American High School Students. As a senior Charles was a HIGH LIFE co-editor, president of Quill and Scroll, and a member of Varsity Club, and The Society of Outstanding American High School Students, and The Top Twenty-five.

Gusher Presented Senior Favorites

During their years at C. E. Byrd, the Seniors of 1975 have contributed many long hours of work and service. This devotion has not gone unnoticed by other students at Byrd nor by this year-book. Throughout the Senior section students were recognized for their leadership. In order that leadership would be available equally to all, each senior was only allowed to hold one major office and two minor offices, or three minor offices.

As in previous years at Byrd, Seniors were granted permission to hold class meetings during school hours. Early in the second semester members of the 1975 Senior Class held meetings to discuss graduation plans, nominate six boys and six girls for the honor of Senior Favorite, and make suggestions for class flower, song, and motto. During the next Senior meeting, the Seniors

voted for Senior Favorites when they were measured for caps and gowns.

Those nominated for Senior Favorites were Mark Adams, Susan Barker, Cynthia Belcher, Vickie Bright, Mary Fritze, Terri Galloway, Gif Gillen, Stan Gorham, Lisa Guin, Pam Harris, Shavon Hays, Wayne Homza, Susie House, Henry Hunsicker, Elvis Jeter, Patti King, Mary Leonard, Benji Lester, Justin Linnear, Gerry Lott, Ken Lottinger, Jay Lee Macon, Mimi McDowell, Andrew Miller, Kay Moch, Kathy Nolen, Bill Peavy, John Russell, Sharon Simpson, Roderick Sykes, Ken Theis, Shanda Thomas, Curt Thurmon, and Thomas Woodley. The GUSHER proudly recognizes these honored twelve, who appear in order of votes received. Each Senior has helped make the Senior Class of 1975 one of memorable friendships.

WORKSHOPS Prepared Leaders

Much of the leisure time of several Byrd students was spent in summer workshops and camps. Service clubs, such as Leo, Key Interact, and "Z" Club volunteered their time and services to aid teachers and serve their school. The cheerleaders and the pep squad officers attended camps to learn new performance techniques. The cheerleaders, on returning from camp, were met by the Stingerettes at the bus station with a big celebration complete with drums and banners. Other summer workshops included speech and music camps. The summer programs encouraged advanced learning in fields of study and enriched their basic understanding of their personal interests.

The Pep Squad officers Katina Booras, Susie House, Mimi McDowell, Roslyn Solomon, Susan Moody, Lisa Guin, Becky Andrews, and Kathy Nolen went to Haden's Halftime Drill Team Camp in Nacogdoches, Texas.

The Cheerleaders attended Sam Houston Cheerleading Camp in Huntsville, Texas. *Standing:* Francine Messina, Terri Galloway, Amie Dossett. *Sitting:* Mary Leonard, Kay Mock, Cynthia Belcher, Susan Barker, Pam Harris, and Sharon Simpson.

Curt Thurmon attended Camp Cheley Student Council Conference in Estes Park, Colorado.

Lower Left: The student advisory committee worked with faculty members in tallying votes for class officers. Lower Right: Lisa Dixon expanded her interest in architecture in mechanical drawing.

CLASSES

Whether freshman new to high school, sophomore, junior, or senior eager to graduate, Byrd students expressed pride in their classes. This loyalty was shown in competition for the spirit stick at pep rallies and by a spirit link contest sponsored by the juniors for the Gator Day assembly. In many academic pursuits members of different classes worked at equal levels, while some classes were designed primarily for one age group. Through identity with his class, a Byrd student often had the opportunity to be friends with the same people he had known in grade school. Such lasting friendships and common bonds added loyalty to Byrd's traditions and sealed ties between students which lasted long after graduation.

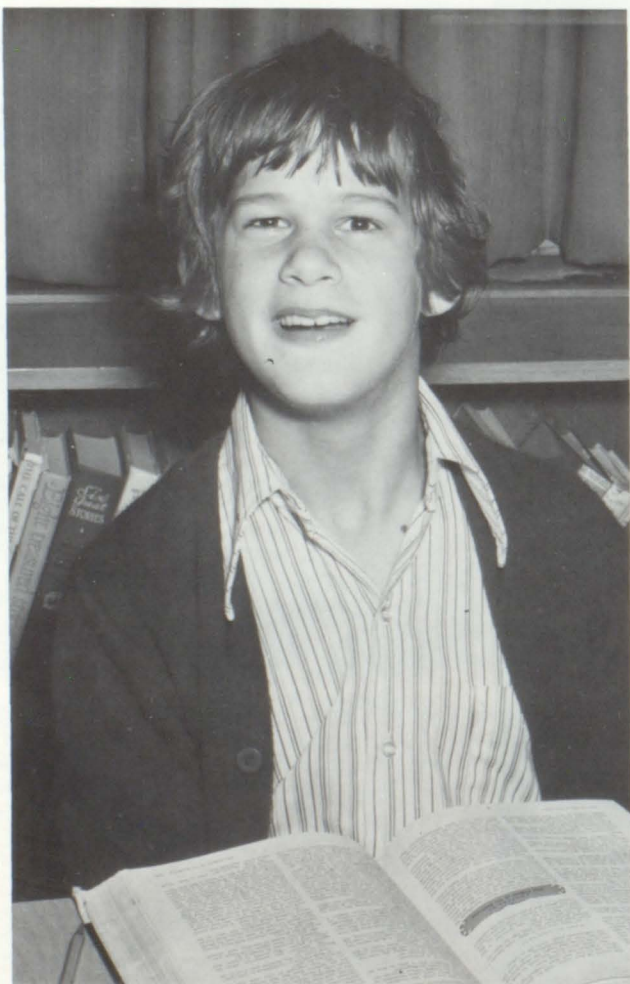

Top: At the homecoming assembly Byrd graduates David Hunsicker, Hank Rhodes, and Mac Gillen greeted former principal Mr. J. H. Duncan. Center Left: Mrs. Blanche Milloy supervised Susan Frazier in typing drills. Center Right: Miss Barbara Whitehead used map study in her American History class. Lower Left: Sharon Dearing used the card catalogue in the library. Lower Right: Jimmy Archer and Curt Thurmon worked on a project with Mr. James Chico.

TELEPHONE STUDENTS Attended

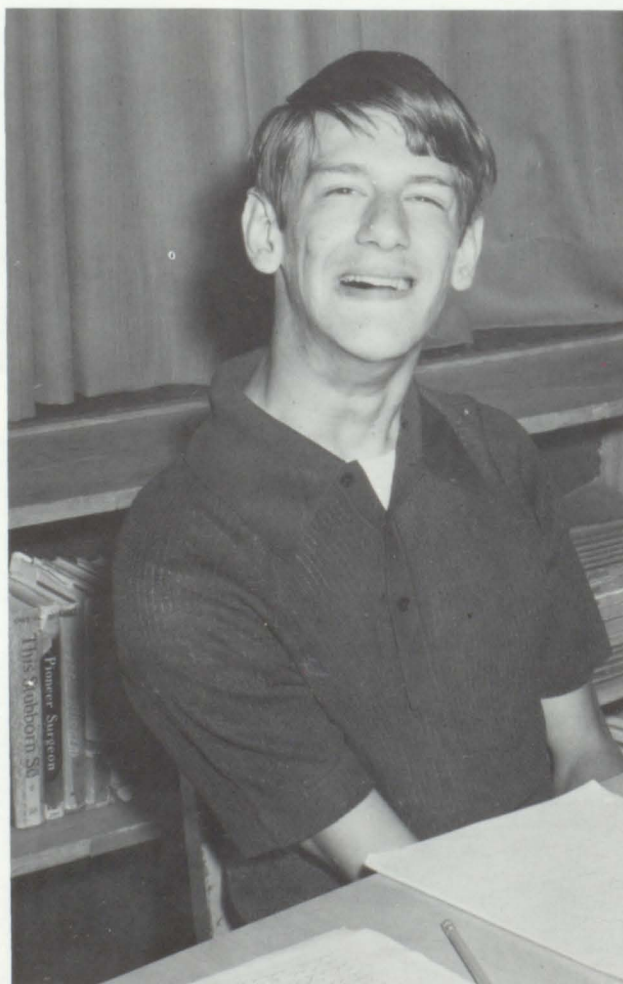

As a tradition the telephone students attended the Go West Day assembly and were awarded the spirit stick for their school spirit. These students from the Caddo School for Exceptional Children often visited Mrs. E. Alexander's American History class and participated in many of the other classes at Byrd through a special intercom installed by the telephone company. Although the telephone students could not regularly attend classes at Byrd, they were devoted and interested in Byrd's activities.

The 1975 Sophomore class officers were Allison Wafer, Parliamentarian; Laura Gallagher, Treasurer; Kenneth Webb, President; Vince Fulco, Sergeant-At-Arms; and Sonia Sloan, Vice-President.

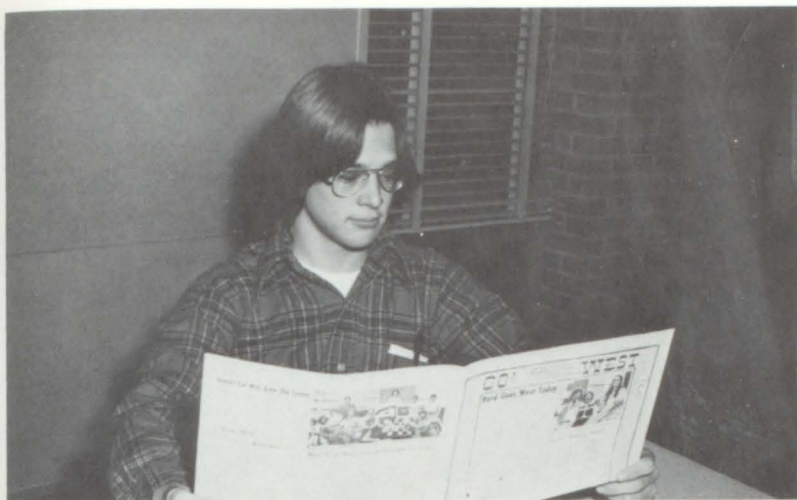

Allison Wafer and Dana Jones admired Byrd's trophies from past competition.

Diane Cooper got her lunch in the Byrd cafeteria.

in Byrd Student Life

Gary Matthews read the Go West Day edition of the High Life in Study Hall.

The Sophomores, being very enthusiastic in all aspects of Byrd High School life, were different yet, in many ways, were the same as past Sophomore classes. Styles changed, but the same spirit was still very much alive. They were active in service clubs, Student Council, and activities such as Gator Day and Go West Day. By painting banners for games and boosting spirit at pep rallies, they won the spirit stick for their class. Many Sophomore girls were elected into the Stingerettes at the end of the year. The Sophomore class of 1975 was one of the high hopes of the future.

Class officer nominees were Terri Fortner, Melissa Humphrey, Diane Cooper, Debbie Travis, Margaret Bell, Debbie Parker, and Mark Stinson.

FRESHMEN Began Four

Freshmen came to Byrd this year wondering with eager anticipation about the four years ahead of them. Making the most of the forthcoming years was the goal of each freshman. In order to achieve this aim, they began to become involved by joining clubs, cheering at pep rallies, and learning new skills to contribute to the school.

The freshman year was one of the beginnings found in high school; it was the start of four wonderful years from which memories and friends were made that would endure throughout life. Most importantly, freshmen began to become individual, involved, committed, and caring.

Jan Cathey filed cumulative records in the registrars' office during her study hall.

Freshman class officers were, Susan Duncan, Secretary; Rhonda Statham, Vice-President; Byron Trust, President; Donna Bradford, Treasurer; Jimmy Creel, Sergeant-at-Arms.

Years of Progress

Freshman boys in Coach Tom Cathey's fifth period physical education class completed their daily exercise of running around the track.

Marian Bell listened as Mrs. Lucille McCook discussed *A Tale of Two Cities*.

Top: Shreveport High School, which preceded Byrd, is now being demolished, but its memory continues. Lower Left: The First National Bank is one of many businesses who have advertised in the GUSHER since 1926. Lower Right: The oil derrick has long symbolized Shreveport's Industrial community.

ADVERTISING

Many businesses in the Shreveport area have been loyal to Byrd in advertising in the GUSHER for fifty years. Advertising makes it possible for the GUSHER to be the size and quality book which Byrd can be proud of. Because of those businesses and patrons in the community who support Byrd, the GUSHER staff is able to include color pages and special effects in the book. Yearbook advertising is not charity on the part of the patrons, however, as it is one of the most permanent and least expensive forms of advertising available.

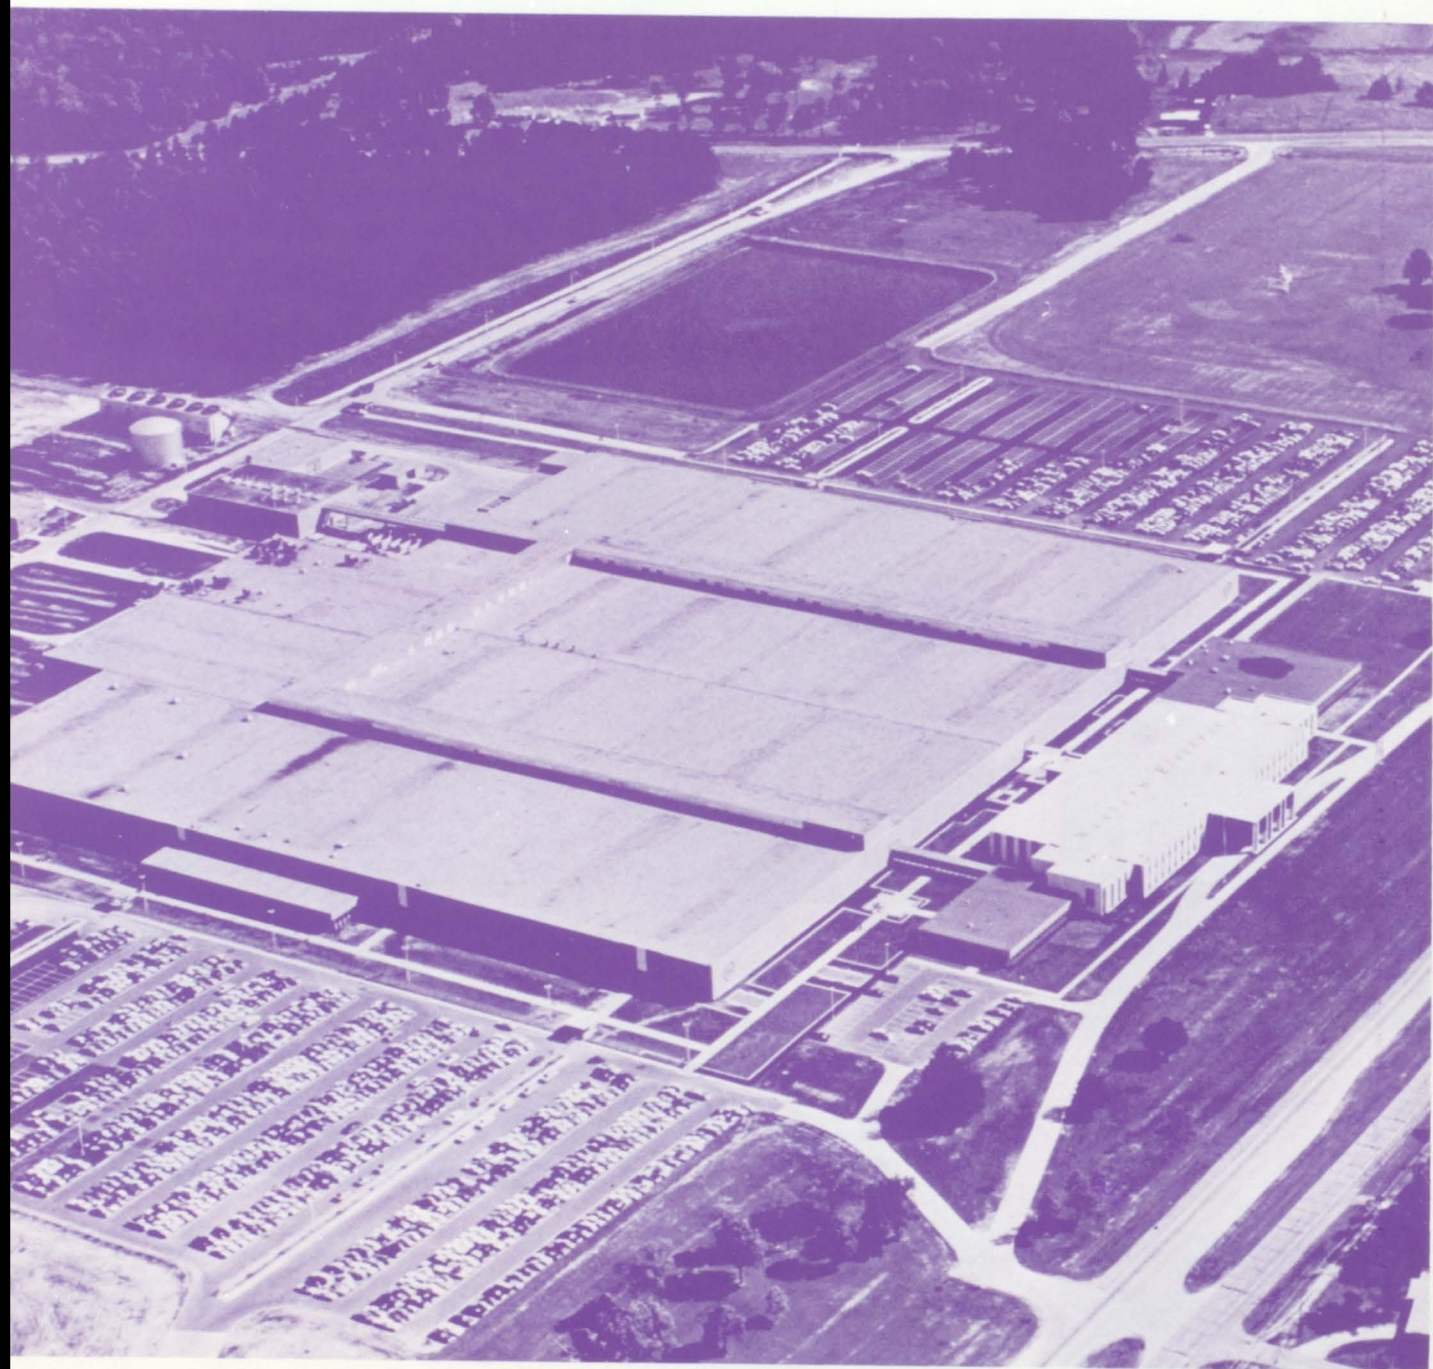

Top: THE SHREVEPORT TIMES is a loyal advertiser in the GUSHER. Center Left: Dan Guess put finishing touches in the Sippy Hut, a primary source of income for the GUSHER. Center Right: Churches, such as Broadmoor Baptist, were important patrons of the GUSHER. Lower Left: Old buildings in downtown Shreveport demonstrate the mingling of old forms with new ideas. Lower Right: The Shreveport Memorial Library Downtown provided a place for many Byrd students to study.

Western Electric

For the past ten years, Western Electric has been manufacturing telephones in Shreveport. In 1973, our employees worked together to build over half of the total number of new phones made for the customers of the Bell Telephone Companies. The Shreveport Works offers young people just starting out on their own interesting jobs in the fascinating field of telecommunications manufacturing, a pleasant place to work and the opportunity to earn a good living.

Western Electric . . . we're at the heart of the Bell System. We make things that bring people closer.

*Time it was
And what a time it was.
It was
A time of innocence,
A time of confidences.
Long ago it must be.
I have a photograph,
Preserve your memories . . .
They're all that's left you.
